ROOM CHARGES, MINIMUM GUEST COUNT AND FOOD AND DRINK MINIMUMS ARE AS FOLLOWS:

Jimmy's does not charge a room fee for the use of its party rooms. However, we do have a minimum guest count –or- a Food and Drink Minimum. It's not complicated and here's how it works:

The minimum number of guests for full exclusive use of the Fireside Room is 20 guests. The Cellar Room is has a minimum of 14 guests. If you meet the minimum guest requirement, Jimmy's simply requires that each guest order a full dinner entrée and a beverage. That's it.

FOR PARTIES THAT ARE SMALLER THAN THE MINIMUM GUEST REQUIREMENT

Parties that do not meet the minimum guest count requirements, but would still like to have their event in the Fireside Room or Cellar Room can still reserve one of the rooms by fulfilling a Food and Drink minimum. The Minimums are as follows: \$850 for the Fireside Room and \$500 for the Cellar Room. Please keep in mind the food and beverage minimums are prior to tax and gratuity.

EXCEPTION TO GUEST COUNTS AND FOOD AND DRINK MINIMUM

Early Dinner Parties and/or Hors D'oeuvre Parties that start early in the evening and conclude by 6:30 PM do not have guest and food and beverage minimums since the room can be re-booked later in the evening. Exceptions to our policy is during the December Holiday season.

BOOKING PARTY ROOMS WITH SMALLER PARTIES

If a group requests a particular party room but has less than the minimum required guests or does not want to guarantee the room minimum, Jimmy's will accept your reservation and do everything we can to fulfill your request. However, larger parties who fulfill the minimum guest count or food and drink minimums would have booking priority over your party.

If there are any other questions you may have, please contact a manager at **952-224-5858**.

Thank you for considering Jimmy's for your upcoming function at Jimmy's.
